## NOTICE

As a part of our series of student- centric programs, I have immense pleasure in announcing that second Student Development Programs (SDP) entitled " Libre Office Suite Writer 6.3 " will start from 1st June , 2021 and will end on 15th June 2021. Libre Office Suite is a very versatile and powerful, free and open source software having writer(word processing), Calc(spreadsheets), Impress(presentations), Draw(vector graphics and flow charts), Base(database), and Math(formula editing).

As a free and open source software, it is accessible for everyone to use, share and modify. It has cross- platform applications and extensive language support. Keeping in view its utility to all sections of students, this SDP will remain open to the UG students of Science and Social Sciences streams. This SDP will be conducted on Telegram.
