NOTICE

As a part of our series of student- centric programs, I am pleased to announce that another 15 days SDP of immense use entitled "Web development using HTML (Hypertext Markup Language) " will commence from 5th May, 2021 and will end on 19th May, 2021. This SDP will be conducted in collaboration with AZTECH Technology and Engineering Private Ltd, Patna. The resource person will be Ms. Sonam Kumari, M. Tech (Computer Science), Trainer, Aztech Technology. Remarkable features of HTML are web page development and web document creation. It is heavily used for Internet Navigation too. It can also embed programs written in a scripting language like Java Script. A structured document can be created with help of structural semantic text- like heading, paragraph etc. It is also used to embed the hyperlink within the web pages. Keeping in view its utility and specialties, it will be open to PG students of Electronics, Physics, Chemistry, Mathematics and Business Administration. However, only 150 students will be accommodated on the first cum first served basis and the registration will be closed when the number will reach 150. The lectures will be delivered through Zoom Cloud Meeting App for which links will be provided on Whatsapp group comprising of 150 students who have registered first.

It should be noted that after completion of this SDP, online examinations will be conducted for which dates will be announced at the end of SDP. E- Certificate will be provided to the successful candidates.

The registration will start from 5.00 PM on 1st May, 2021 and will remain active till 10 P M of 4th May, 2021. Registration can be made on the link given below:
